

On Sunday September 25th Obagi Medi Spa hosted the first coffee morning for the Arabian Ranches Club ladies. The purpose of this event was to invite them for a breakfast and introduce them to Spa, the services & the treatments offered at Obagi MediSpa Dubai.

14 ladies attended the breakfast held at Red Box- Galeries Lafayette and then they have been invited for a tour of the spa where Dr Leandro Junqueira explained about different treatments that he performs such Botox, Fillers, E-Matrix, Carboxy Therapy. The ladies also discovered the machines and the treatment rooms.

Dalya Sager explained about Velashape and its benefits as well as Laser Hair Removal, Mesotherapy & Laser Rejuvenation.

Leila Smaily introduced the Nutrition department & the services offered.

The ladies had the opportunity to ask many questions about different skin health concerns & other related topics to Dr Leandro, Dalya & Leila.

At the end of the tour, Dr Leandro performed a live Botox demonstration of one of the ladies while explaining the procedure to the invitees.

The ladies were offered a gift voucher for a complimentary Blue Peel Radiance or a complimentary consultation of their choice with Dr Leandro, Dalya or Leila.
